

SPLASH Club

Freshwater Learning Center
School-Age Program

Program Features

- Homework help
- 'Classroom Council'
- Creative workshops
- Small ratios
- Nutritious snack
- Sports and games
- Guidance in faith

Freshwater Learning Center exists to provide a safe, Christ-centered, nurturing environment for children to grow in their faith, values and life-skills.

SPLASH Club is a fun, safe, Christ-centered, before and after school care program. **SPLASH** stands for Students Playing, Learning, Achieving & Seeking Him. At Freshwater Learning Center we encourage students of all ages to grow in their faith, values and life-skills.

SPLASH Club offers homework help from our experienced school-age teachers, a 'Classroom Council' time for the students to discuss goals and projects for their group, creative workshops where students can team up on long-term projects and activities.

A nutritious snack is provided upon arrival at **SPLASH Club** to help energize and focus your child's afternoon. Sports activities are organized to help keep students active and healthy.

Students enrolled at **SPLASH Club** end each day excited about the broad range of engaging, hands-on activities that allow them to develop their interests and skills.

**Come join the fun!
